Instructions for Scavenger Hunt

For your eyes ONLY!

- *Have one bunk play at a time. Make sure to erase all the clues before the next round. Have a staff member or counselor hide the clues around camp before they start, using this sheet.
- *Some clue locations may not be found in your camp, so try to find the next-best solution which the campers can figure out.
- *Also, it makes it more exciting if you hide a treat at the end (popcorn, ices, etc), but that's up to you to decide.
- *One last thing, you can time yourself to see how long it takes and if you can beat the clock in under an hour!

Clue 17

Dear Mommy,

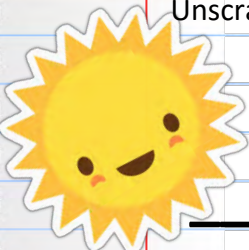

I don't know where to start...
CAMP IS AWESOME!!! From the moment
I come, until we eat lunch, until when
we go home, I have a blast! I'm in my
element, and I feel like I'm ten feet
tall! There is no way I'm coming home
every day at four o'clock – I wish I
could stay here forever! It's funny to
say this, but even the handyman makes
the atmosphere fun :). Camp energizes
me, but at the same time, my legs are
really hurting from all the sports and
activities. We're raising money for Chai
Lifeline, the most unbelievable
organization, through the Chai-A-Thon.

Anyway, thank you for sending me
to the best camp!!!

Love, ME!! :)
